

ORANGE COUNTY FLORIDA MAY 2016 PRECINCT AND DISTRICT INDEX

GENERAL INFORMATION

All county precinct information is current as of May 6, 2016 and represents the precincts as approved on April 26, 2016 by the Orange County Board of County Commissioners.

District information reflects the State House, County Commission and School Board districts created after the 2012 redistricting. The new 2016 U. S. Congressional and Florida State Senate districts reflect the Florida Supreme Court ruling and were updated on May 6, 2016.

This map book is a product of the Orange County Supervisor of Elections Office and is designed for general use by the public. It is not intended to be used for determining a voter precinct, voting location or jurisdiction. Precinct and district lines are as accurate as possible with the map scale used for each.

The original street map base was obtained from the Orange County GIS Department and has been updated and maintained by the Elections office using MapInfo mapping software.

For more information about this map book or other map products, please contact the Mapping Department. All inquiries should be directed to:
